

## TREATMENT OF MINORS NO PARENT/LEGAL GUARDIAN PRESENT

Minor children who are able to drive themselves to their appointments must bring written documentation from their parent/legal guardian giving permission to ESMOS for all visits and procedures.

New Jersey law assumes that consent to emergency treatment has been given. As such, the doctor should proceed in calling local emergency services if needed. In the event that an emergency or unexpected incident occurs, it is imperative that the parent/legal guardian be reachable.

Please complete and sign the form below giving us permission to treat your child/children without a parent/legal guardian present..
