

TREATMENT OF MINORS NO PARENT/LEGAL GUARDIAN PRESENT

At Englewood Sports Medicine Orthopaedic Surgery, P.C. (ESMOS) we understand that from time to time you may not be able to bring your child to their appointment. We will treat your child without you present for any and all visits provided that:

- 1 The child is 14 years old or older.
- 2 The parent/legal guardian is available by telephone.
- 3 The parent/legal guardian has signed all required documentation.
- 4 The parent/legal guardian has informed our office that they will not be present during the appointment before the child comes into their appointment.

Minor children who are able to drive themselves to their appointments must bring written documentation from their parent/legal guardian giving permission to ESMOS for all visits and procedures.

New Jersey law assumes that consent to emergency treatment has been given. As such, the doctor should proceed in calling local emergency services if needed. In the event that an emergency or unexpected incident occurs, it is imperative that the parent/legal guardian be reachable.

Please complete and sign the form below giving us permission to treat your child/children without a parent/legal guardian present.
